

Boiler Plate CISCO

Cisco is the worldwide technology leader that has been making the Internet work since 1984. Our people, products, and partners help society securely connect and seize tomorrow's digital opportunity today. We connect everything—people, process, data, and things—and we use those connections to help change our world for the better. And we're doing it faster than ever before, in ways we believe no one else can. We innovate everywhere to create fresh ideas and possibilities. We take bold risks to shape the future because we understand every failure is a success if we learn from it.
